

course concerned proforma B

(MSc(MLT)-Biochemistry

26. Details of infrastructure facilities available in the institute

SNo	Details	Detailed area in sq.metre	Available No.
a	Built in area of building proposed for the course (after excluding common area mentioned in the general proforma)		
b	Lecture hall (With its available / proposed facilities).		
c	MSc(MLT) Biochemistry PG Practical laboratory (With its available / proposed work bench area for each student). <i>Attach details of available / proposed equipments in the PG' laboratory as Annexure No-I</i>		
d	Biochemistry instrument room and its facilities i) ii) iii)		
e	Seminar room with facilities i) Table ii) Chair iii) Audiovisual aids –OHP iv) LCD projector v) Computer (Seminar hall shall be shared for MSc(MLT)-Biochemistry, Microbiology and Pathology)		
f	General store with facilities		
g	Department Chemical store		
h	Common toilet-a) for Boys		

	b) for Girls		
i	Faculty rooms & staff rooms		

27. Whether Clinical lab facilities are available for the students in Clinical Biochemistry :
 If yes,
 Attach details of facilities of Biochemical tests available in the Biochemistry clinical lab and Average number of specimens /month for each test :
 (Attach as Annexure no-II)
28. Whether Clinical lab facilities are available for the students in Clinical Pathology :
 If yes,
 Attach details of facilities of Clinical Pathology tests available and Average number of specimens /month for each test :
 (Attach as Annexure no-III)
29. State whether the Institute have any sister institute Where additional clinical lab facilities or advanced Facilities available. :
 If yes, give the details (Attach as Annexure no-IV)
30. Whether specialty departments such as Cardiology, Thorasic surgery, Neuromedicine, Respiratory medicine and chest diseases, Nephrology, Gastroenterology , Nuclear medicine or more are available :
 If yes,
 Average number of Out Patients/month
 Average number of inpatient /month
 in each Department (Attach as Annexure No-V) :
31. Give details of equipments available/proposed in the clinical Laboratories (Attach as Annexure No. VI) :
32. Whether the staff members are posted for the course proposed :

If yes, give the details :

Teaching faculties

No.	Designation	Name	Qualification	Experience	Date of joining	Full/Part time
1	Professor&Head					
2	Professor of MLT in Biochemistry					
3	Associate Professor of MLT in Biochemistry					
4						
5	Assistant Professor of MLT in Biochemistry					
6						
7	Assistant Professor of MLT in Biochemistry					
8						
9						
Non-teaching staff						
1	Laboratory technician					
2	Administrative Officer					
3	Assistant					
4	Cleaner/Sweeper					
5						

33. Did you start the BSc(MLT) course in your Institute :

If yes, No .of students admitted per year
State the Percentage of pass for the last 3 years :

34. Give the details of staffs presently available for the conduct of BSc(MLT)Degree course in the Institute

No.	Designation	Name	Qualification	Experience	Date of joining	Full/Part time

Declaration

I, ----- on behalf of do hereby state that the information given above is true to the best of my knowledge. Further I do agree to abide by future direction of the state Government/Paramedical council regarding mode of selection, minimum standards and fee structure of the proposed course.
